Licking County Courthouse

Newark, Ohio was founded in 1802 by Maj. William C. Schenk, who came to Ohio from Newark, New Jersey. It was incorporated into a town in 1826 and became a city in 1860. Our beautiful Second Empire Courthouse was dedicated in 1876 as the 4th courthouse on this site. It is surrounded by the Downtown Newark National Register Historic District which contains more than 90 well-preserved late 19th early 20th century commercial structures representing a wide variety of architectural styles. This guide lists shopping, dining, attractions and points of interest, many of them housed in these structures.
